Writers disagree on how best to define and classify atheism, contesting what supernatural entities are considered gods, whether it is a philosophic position in its own right or merely the absence of one, and whether it requires a conscious, explicit rejection. Atheism has been regarded as compatible with agnosticism, and has also been contrasted with it.

Question: "Is God evil? Is the Bible evil?" Answer: The web site evilbible.com endeavors to do two things: (1) demonstrate that the Bible is not the Word of God, but instead is only a book written by "evil" men, and (2) disprove the God of Christianity. The arsenal it attempts to use to prove its assertions is one common to many other atheist web sites and publications.
