Psychological abuse, often called emotional abuse, is a form of abuse, characterized by a person subjecting or exposing another person to behavior that may result in psychological trauma, including anxiety, chronic depression, or post-traumatic stress disorder. It is often associated with situations of power imbalance in abusive relationships, and may include bullying, gaslighting, and abuse ...

Psychological abuse - Wikipedia

The more confidence you have in yourself, the more unwilling you will be spending your time with emotionally immature people. The most important thing is to face reality and see the situation (whatever that may be), as it is.

Relationships with emotionally immature people

Living Grounded. Living Grounded is a 12-week Bible study that explores the fundamentals of the

Christian faith. Topics include the character of God, the authenticity of the Bible, the purpose of life, the gift of salvation, and thriving in community.

The Bible Chapel

The state of affairs you've described isn't good for anyone in the family. It's harmful and destructive to everyone concerned. That includes you, your spouse, and the kids. This means that something must be done to change it as quickly as possible. We can almost guarantee that the change won't come about as a result of adopting a "submissive" attitude toward abuse.
