The book, Ancient Celtic New Zealand, featured an official archival document, which clearly showed an intention, by New Zealand Government Departments, to withhold archaeological information from the public for a period of 75 years. Since publication of the book, many indignant people have written to the National Archives for an explanation as to why such an embargo had been put in place.

Born of the void between states of being, the Phoenix Force is a child of the universe. In the dying moments of the previous universe, the Force saved all existence from eternal damnation, enabling Eternity to preserve the humanoid Galan, ensuring his re-creation as Galactus. The Force was subsequently reborn from the cosmic fires of the "Big Bang."
