Coming to Parent Gym was one of the best decisions I've ever made. The content of the course was spot on. As a parent there are always things to learn or be reminded of, and to me that is exactly what Parent Gym is about- it gave me the tools to make life easier.

Home - Parent Gym

For example, a study by Keith Chen of Yale Business School analyzed data from 76 countries, focusing on things like saving money, smoking and exercise habits, and general health. The surprising result was that cultures in which most people speak languages without a future tense make better health and financial decisions overall.
