Religions and ethical systems Menu Agnostics and Agnosticism: Uncertainty about whether God exists. Summary: The adult world is composed mainly of Theists: they believe in the existence of one or more Gods and/or Goddesses from among the many thousands of deities who have been worshipped by humans down through history.

### **Agnosticism**

For a start, religion can be divisive – Christians against Muslims, Catholics against Protestants, and so on. History is full of examples of people killing one another in the name of their religions. When children go to faith schools, they may have very little contact with children from other faiths, as has happened in Northern Ireland, which leads to a lack of understanding, even hatred.
