The Starfish is the true story of a German-Jewish boy whose life was forever altered at the age of 10, when his parents sent him and his two older sisters to live with non-Jewish families in Sweden to escape Nazi persecution. After living in Sweden for two years, Herb Gildin and his sisters journeyed across Russia and the Pacific to be reunited with their parents as refugees in America.

About the Photographer: "When I took this photograph, it really hit home how a young person can impact and change the life of an adult who has seen the world and how it works," Laura said. "It reminded me that, as adults, it is important for us to pay attention to the simplicity of life. As a nanny to small children, this impacts me every single day, and the starfish story is an amazing ...
