### **The Game Is Life 1**

The Game of Life, also known simply as Life, is a board game originally created in 1860 by Milton Bradley, as The Checkered Game of Life. The Game of Life was America's first popular parlor game. The game simulates a person's travels through his or her life, from college to retirement, with jobs, marriage, and possible children along the way. Two to four or six players can participate in one game.

### **The Game of Life - Wikipedia**

The Game of Life (or simply Life) is not a game in the conventional sense. There are no players, and no winning or losing. Once the "pieces" are placed in the starting position, the rules determine everything that happens later.
