Analyzing Power. As a society, we often believe that individuals and/or their communities are solely responsible for their conditions. Through the analysis of institutional power, we can identify and unpack the systems external to the community that create the internal realities that many people experience daily.

Principles - 10,000 Year Clock - The Long Now

Unitarian Universalist congregations affirm and promote seven Principles, which we hold as strong values and moral guides. We live out these Principles within a "living tradition" of wisdom and spirituality, drawn from sources as diverse as science, poetry, scripture, and personal experience. As Rev. Barbara Wells ten Hove explains, "The Principles are not dogma or doctrine, but rather a ...

Conventional wisdom says the best speeches are not written; they are rewritten. Yet, most speakers present content that falls between a first draft and no preparation at all.. Don't be like most speakers.. Allow yourself the time to edit for focus, clarity, concision, continuity, variety, and impact. If you do, you will give your audience a performance that will dazzle them.
