The Great Good Place Cafes

Ray Oldenburg is an urban sociologist who writes about the importance of informal public gathering places. In his book *The Great Good Place* (1991), Oldenburg demonstrates how and why these places are essential to community and public life, arguing that bars, coffee shops, general stores, and other "third places" are central to local democracy and community vitality.

A coffeehouse, coffee shop, or café is an establishment that primarily serves coffee, related coffee drinks (latte, cappuccino, espresso), and – depending on country – other drinks including alcoholic. Some coffeehouses may serve cold drinks such as iced coffee and iced tea; in continental Europe, cafés serve alcoholic drinks. A coffeehouse may also serve some type of food, such as light ...
