The first signs of the Great Recession started in 2006 when housing prices began falling. By August 2007, the Federal Reserve responded to the subprime mortgage crisis by adding \$24 billion in liquidity to the banking system. By September 2008, Congress approved a \$700 billion bank bailout, now known as the Troubled Asset Relief Program. By February 2009, Obama proposed the \$787 billion ...

Societal collapse is the fall of a complex human society. Such a disintegration may be relatively abrupt, as in the case of Maya civilization, or gradual, as in the case of the fall of the Western Roman Empire.. The subject of societal collapse is of interest in such fields as history, anthropology, sociology, political science, and, more recently, complex-systems science.
