Leech (James "Jimmy") is a fictional character appearing in American comic books published by Marvel Comics.. Leech made his first appearance in Uncanny X-Men as a Morlock, a group of mutants whose deformities force them to live in the sewers under Manhattan. He is usually depicted as being around twelve years old (his exact age is unrevealed). He speaks in broken English and refers to himself ...

Children's literature or juvenile literature includes stories, books, magazines, and poems that are enjoyed by children. Modern children's literature is classified in two different ways: genre or the intended age of the reader. Children's literature can be traced to stories and songs, part of a wider oral tradition, that adults shared with children before publishing existed.

The English Father Christmas: A Separate Origin. Introduction. The English Father Christmas seems to have had an entirely separate origin from Sinterklaas, being a personification of Christmas and a Yule-tide visitor - not a gift-giver - rather than a version of St Nicholas. The earliest reference to him comes from the mid-fifteenth century, when a Sir Christēmas appears in a carol, although ...

There's actually wordplay going on here, because the term "carnivorous girl" is Japanese slang for a woman who aggressively pursues men or otherwise behaves "unladylike," contrasted with the slang term herbivore man for a meek and submissive male. I like how the character's "demeanor of ennui" serves as an excuse for the actress to mess around on her cell phone, because it has to get pretty ...
