The mainstream narrative of life after 40 has a lot of yellow lights. Your metabolism is slowing down. Your knees start creaking. Your oomph has shifted from a roar to a purr. But just because there is a certain reality that comes with the natural wear and tear of an aging body doesn't mean that your sheets-wrinkling days are doomed.

Female sex tourism is sex tourism by women who travel intending to engage in sexual activities with one or more locals, usually male sex workers. Female sex tourists may seek aspects of the sexual relationship not shared by male sex tourists, such as perceived romance and intimacy. Women who fit this profile – especially wealthy, single, older white women – plan their holidays to have ...
