Discipline and Punish: The Birth of the Prison (French: Surveiller et punir : Naissance de la prison) is a 1975 book by the French philosopher Michel Foucault. It is an analysis of the social and theoretical mechanisms behind the changes that occurred in Western penal systems during the modern age based on historical documents from France. Foucault argues that prison did not become the ...

Church discipline is the practice of censuring church members when they are perceived to have sinned in hope that the offender will repent and be reconciled to God and the church. It is also intended to protect other church members from the influence of sin. Excommunication is usually considered a last resort if a person does not repent of their sin.

When I was in college, there were some people on the internet who claimed that you could train yourself to sleep as little as two hours per day. Keep in mind, this was back in the early 2000s when we all still believed random shit we read on the internet. Here's how the story went: There was a hyper-productive sleep schedule that had been discovered by military scientists.
