I have to thank @strixmoonwing for randomly reblogging the original post, which I didn't just add to because this is a ML post, not a Superman one. Even though it's the same basic concept. Go read the original Superman post (link) for all the mind-blowing concepts and credits. The gist is that: they can't find your secret identity if they don't think you have one

A typical plot structure is Two Lines, No Waiting, where two mostly unrelated plots occur simultaneously. A Halfway Plot Switch, on the other hand, features two mostly unrelated plots that occur one after the other, linked by a rather tenuous chain of events. As such, the start of the episode will often have close to nothing to do with the ending.
