Community Reviews. Mihaly in the Evolving Self shows a very unique way to relate aspects of evolution of the human kind as a species and aspects of everyday life. He has a theoretical plan of evolution as well as practical evidences that can make slight to big changes in our lives, such as the flow experience.

About Evolution of the Self. This blog is mostly about helping readers develop deeper insights into themselves and others. Aiming to be as practical as possible--and adopting a non-blaming, non-shaming perspective toward our various foibles--it suggests ways in which we may become more aware, more contented, and happier, individuals.

The Evolving Self. The Evolving Self describes this process of evolution in rich and human detail, concentrating especially on the internal experience of growth and transition, its costs and disruptions as well as its triumphs. At the heart of our meaning-making activity, the book suggests, is the drawing and redrawing of...
