The investigative report is the most important product a PI produces and it must be able to clearly explain to the reader of the report, in the investigator's absence, what information the investigator was able to produce. The investigation report is also an integral part of marketing for private investigators.

Hindu temple architecture as the main form of Hindu architecture has many varieties of style, though the basic nature of the Hindu temple remains the same, with the essential feature an inner sanctum, the garbha griha or womb-chamber, where the primary Murti or the image of a deity is housed in a simple bare cell. Around this chamber there are often other structures and buildings, in the ...

What does real scientific work look like? As neuroscientist Stuart Firestein jokes: It looks a lot less like the scientific method and a lot more like "farting around ... in the dark." In this witty talk, Firestein gets to the heart of science as it is really practiced and suggests that we should value what we don't know -- or "high-quality ignorance" -- just as much as what we know.

Stuart Firestein: The pursuit of ignorance | TED Talk

Unlike traditional Trivial Pursuit, the game is played by a single player and instead of moving a piece around the Trivial Pursuit game board, you move your wedge downward into the waiting pie.

Breedlove Guitars has always been known for their willingness to deviate from acoustic-design convention. Features like their pinless bridge and the JLD truss system (a dowel spanning the bridge and tail block that counteracts tension exerted on the top and increases sustain and resonance) helped distinguish Breedlove as a forward-thinking brand.
