The Sociology Of Philosophies A

The Sociology of Philosophies is an ambitious, comprehensive, and brilliant account of the rationalization process of three world philosophies: Western, Indian, and Asian. In Collins' analysis, this developmental process is shown to be generated via social and conceptual networks...The book expounds upon an immense range of intellectual history, and certainly makes inspiring and interesting reading.

The Sociology of Philosophies: A Global Theory of ...

Share This. What emerges from this history is a social theory of intellectual change, one that avoids both the reduction of ideas to the influences of society at large and the purely contingent local construction of meanings. Instead, Collins focuses on the social locations where sophisticated ideas are formed: the patterns...

The Sociology of Philosophies — Randall Collins | Harvard ...

The Sociology of Philosophies: A Global Theory of Intellectual Change. According to his theory, when the material bases of intellectual life shift with the rise and fall of religions, educational systems, and publishing markets, opportunities open for some networks to expand while others shrink and close down.

THE SOCIOLOGY OF PHILOSOPHIES - Georgetown University

Sociology aimed to be in with to provide a social doctrine that would guide social policy. This aim has now been abandoned. There exist some links between sociology and philosophy. There is a philosophy of sociology in the same sense as a philosophy of science that is an examination of the

methods, concepts and arguments used in sociology.
