So I wouldn't be surprised if 1000 years ago the elves and dragons were terrified of the prospect of being kidnapped and used for dark magic spells. The more powerful elves e.g. mages would believe that they were targets as they would have a stronger connection to their primal source/sources and ...

Primal therapy is a trauma-based psychotherapy created by Arthur Janov, who argues that neurosis is caused by the repressed pain of childhood trauma. Janov argues that repressed pain can be sequentially brought to conscious awareness and resolved through re-experiencing specific incidents and fully expressing the resulting pain during therapy.

Jaak Panksepp has taken on many unusual roles in his storied career, but none so memorable as rat tickler: He learned how to stimulate the animals to elicit high-frequency chirps that he identified as laughter. Panksepp's interspecies game-playing garnered amused media coverage, but the news also stirred up old controversies about human and animal emotions.

For those who have read what I have previously written about probiotics, you'll know that I am cautiously optimistic about their potential usefulness as a medical therapy, despite the tendency towards overstating the results of the limited clinical trials so far done in veterinary species. The theoretical principle, that administering living organisms orally can have beneficial effects on ...

Your beautiful writing was an eye opener for me. The conflict some individuals goes through when it comes to joining the army. Never thought about it before though I have watched many Hollywood war movies back in the 70`s and enjoyed them. This is writing from the heart and I suppose that is the reason for its appeal. Thank you for creating the awareness.
