Pope Joan, 855-857, (Ioannes Anglicus) was, according to popular legend, a woman who reigned as pope for a few years during the Middle Ages. Her story first appeared in chronicles in the 13th century and subsequently spread throughout Europe. The story was widely believed for centuries, but most modern scholars regard it as fictional.

Nicholas Copernicus (1473-1543) That Nicholas Copernicus delayed until near death to publish *De revolutionibus* has been taken as a sign that he was well aware of the possible furor his work might incite; certainly his preface to Pope Paul III anticipates many of the objections it raised. But he could

hardly have anticipated that he would eventually become one of the most famous people of all ...
