Rupert Brooke (1887-1915) Although Rupert Brooke's 1914 sonnets received an enthusiastic reception at the time of their publication and the author's death (of blood poisoning), disenchantment with the ever-lengthening war meant a backlash against Brooke's work. These sonnets have been lauded as being "among the supreme expressions of English patriotism and among the few notable poems produced ...

Petrol and fire are not the most prudent means of drying a wet playing field. Petrol is a poison, and fire is famously ruinous to most life forms. Unfortunately the town of Ridgefield, Connecticut ...

### **Gallons of petrol poured on baseball field and set alight ...**

Preface. A thought conceived but not expressed is at best only an unborn child, not only without any influence on the world, but of whose very existence the world may be unconscious; but once brought forth it becomes part of the living working universe, to work there its appointed season, and possibly to leave its mark for good or evil on all successive time.
