All Americans should know this earlier history of the Puritans in England. And why? Because the English Civil War showcases the potent politico-religious elements that still drives much of our present American history. The story of the Puritans coming to power back in England goes beyond the regicide of Charles I. It did not all center on one man Oliver Cromwell and his role as Lord Protector ...

No. The feminine looking Jesus that we see in the Son of God movie (and pretty much everywhere else) is most likely based on the paintings that came out of the Renaissance of the 1400s and 1500s, which portrayed Jesus with European features, in addition to feminine eyes and long hair. Such depictions were popular at the time, but in no way mean that these features were popular during Jesus's time.
