An NHS foundation trust is a semi-autonomous organisational unit within the National Health Service in England. They have a degree of independence from the Department of Health (and, until the abolition of SHAs in 2013, their local strategic health authority). As of February 2016 there were 152 NHS Foundation Trusts.

NHS foundation trust - Wikipedia

State trust lands exist in a quiet corner of public resources management, only occasionally coming into view. Their obscurity conceals both important lands and resources, and the opportunity to extract from their management significant lessons for public resource management more generally.

State Trust Lands - ti

English trust law concerns the creation and protection of asset funds, which are usually held by one party for another's benefit. Trusts were a creation of the English law of property and obligations, but also share a history with countries across the Commonwealth and the United States. Trusts developed when claimants in property disputes were dissatisfied with the common law courts and ...

English trust law - Wikipedia

No doubt Psalm 91 was originally a psalm prescribed for public worship. It has been attributed to Moses more often than to any of the other Old Testament writers. It could easily have been a psalm which was sung in the wilderness and may have been used by the Levites in their worship.

Coauthored by Evan T. Miller and Marla H. Norton Liquidating trusts are organized for the primary purpose of liquidating assets transferred to them for distribution to trust beneficiaries. Liquidating trusts can be effective tools to wind down any business enterprise, including debtors in Chapter 11 bankruptcy cases and entities that dissolve outside of bankruptcy.

Family Law Market Data Report 2019. The UK Family Law Market Trends Report is the fifth edition of an annual report from IRN Research and provides an overview of the UK family law market.. The market bounced back in 2015, after a weak performance in 2014 following the reductions in legal aid, and continued to grow in 2016 and 2017.

Legal Reports | IRN Research

The Shelford Group is a collaboration between ten of the largest teaching and research NHS hospital trusts in England. Together these ten NHS trusts account for over £11bn of the NHS budget, treat over 15 million patients a year, employ over 140,000 staff and account for two thirds of the country's clinical research infrastructure.
