(3/24/2010 12:22:00 AM) 'A million worlds may be, With each a God to bless or blast And steer to destiny.' Even when service wrote this, there were already more than a million world according to science, so it must be a metaphor for worlds in general because it does not fit with 'If starry space no limit knows/And sun succeeds to sun', his first reposed concept. I agree with Kevin, it is
