In mythology, folklore and speculative fiction, shapeshifting is the ability of a being or creature to transform its physical form or shape. This is usually achieved through an inherent ability of a mythological creature, divine intervention or the use of magic. The idea of shapeshifting is present in the oldest forms of totemism and shamanism, as well as the oldest extant literature and epic ...

The Queen Anne Revival Style like many of the larger residential styles that were prominent during the final decades of the 19th century, was fueled by the wealthy upper middle classes who through luck and very hard work had managed to make a success of their new lives in Canada. It was a style meant to be enjoyed by those who lived within it and those who lived near it.
