While the idea of servant leadership goes back at least two thousand years, the modern servant leadership movement was launched by Robert K. Greenleaf in 1970 with the publication of his classic essay, The Servant as Leader. It was in that essay that he coined the words "servant-leader" and "servant leadership." Greenleaf defined the servant-leader as follows...

### **Definition of Servant Leadership - To Serve First**

"The great leader is seen as servant first" – Robert K. Greenleaf The above quote lays its premise on a leadership theory that has gone to challenge traditional leadership models. Servant leadership is not entirely a new concept or a way to lead, but it hasn't been intentionally applied until in recent decades when the idea took off in force.

Here I am sitting in my hotel room while looking at my half-empty wine glass and the stars outside while preparing for my last Professional Scrum Master (PSM) class for the year 2017 and pondering about all of the classes I have facilitated over this year. PSM has been a transformational course for me because it has changed me by seeing how it has changed the life of many of my students.

A mermaid is a mythological creature with a female human head and upper body and the tail of a fish. Mermaids are said to live mostly in the water, although sometimes they are known to come out of the water and sit on the large rocks above the sea. It was thought that they would make boats crash with their siren-like calls.
