Theories of Relativity. I dig Granddad's hat out of my pack and put it on my head, pulling the ear flaps down against the damp, and begin to walk. A cop car slows beside me, a window rolls down and a head sticks out. Then abruptly the window closes, the lights flash on top and the siren wails as it speeds away.

Theories of Relativity by Barbara Haworth-Attard

My observations of the main character Dylan was that he is a good person who just hangs out with the wrong people. His behaviors are realistic because the author pulls you into the book and makes you understand what Dylan is going through for example when Dylan saw his brothers having a real christmas with their new father Dylan felt jealousy.

Theories of Relativity. Preparing for winter, he's methodically coming up with his own manual for survival, his own theories of relativity as it were, based imaginatively on those of his hero, Albert Einstein. He doesn't want to deal drugs or turn tricks like his friends, all virtually slaves to a man who's part drug lord, part pimp.
