We enjoyed putting our Creation Book together last week! We have read through the creation story in our many Bibles, including my ESV Bible so the kids could hear the language, and then we

created a page for each day. I am providing a free printable with typed pages, I hand-wrote ours below, but now you'll have each day already on paper before you begin adding ideas — find it at the bottom ...

I agree with you about the book (the shining) being scarier than the film. Although pre babies I did go to a late night screening at my local picture house, to see the shining and it was bloody intense on the big screen.

What is the scariest book you've ever read??

Plants have adaptations to help them survive (live and grow) in different areas. Adaptations are special features that allow a plant or animal to live in a particular place or habitat. These adaptations might make it very difficult for the plant to survive in a different place.
