The Uncharted series is set in a shared real universe, and features a non-linear storyline. Each universe is considered shared with only antagonists, places, and background characters separate between them. Drake's Fortune, the first game in the series, was released for PlayStation 3 in November 2007. The system carried the following two installments of the main series, following a deal ...

Elan Mastai has written the perfect time travel book. Wait, scratch that. He has written the perfect book. What could become an overwhelmingly scientific account of time travel is instead a great book filled with laughter and crying and "oh god this is so good wait what's happening I CAN'T PUT THIS BOOK DOWN" feelings.
