What Is Puppy Crate Training? Before learning how to crate train a puppy, we should first be clear on what crate training truly is.. It's the process we go through to teach our puppy that their crate is a special happy place all of their own, a place where only good things happen, so they become willing and even look forward to spending calm, relaxed time there.

How To Crate Train a Puppy: Day, Night, Even If You Work ...

Elimination communication (EC) is a practice in which a caregiver uses timing, signals, cues, and intuition to address an infant's need to eliminate waste. Caregivers try to recognize and respond to babies' bodily needs and enable them to urinate and defecate in an appropriate place (e.g. a toilet).

Elimination communication - Wikipedia

Of course, this isn't foolproof, just as it isn't with a toddler or young child, but it will help a lot. So do be prepared in the initial stages of crate training your puppy at night to get up one to three times during the night to let him go to his litter tray or outside.
