Prayer is an invocation or act that seeks to activate a rapport with an object of worship through deliberate communication. In the narrow sense, the term refers to an act of supplication or intercession directed towards a deity (a god), or a deified ancestor. More generally, prayer can also have the purpose of thanksgiving or praise, and in comparative religion is closely associated with more ...

Comedian Demitri Martin summed up the insanity of snoozing perfectly when he said: One of the biggest problems with the snooze button is the mindset it's putting you in first thing in the morning. If hitting the snooze button is the first action you take, you are starting your day off procrastinating ("I'll wake up later").
