7 things you can do now—as in right now—to boost your health and well-being and lose some weight. When it comes to weight loss, it's the little things that can really add up to make a big difference. Think "diet" and you might assume it requires a radical revamp of your life or misery-inducing ...

### **7 Small Changes with Big Results - EatingWell**

When you've got "health" on the brain, it can be easy to fall into the trap of feeling guilty for indulging in certain foods. You might eat cake at someone's birthday celebration, for instance, and go home feeling like you need to eat a small dinner (or no dinner at all) to make up for it. There's your fatal flaw.
