Modern liberalism in the United States is the dominant version of liberalism in the United States. It combines ideas of civil liberty and equality with support for social justice and a mixed economy. According to Ian Adams, all American parties are "liberal and always have been. Essentially, they espouse classical liberalism—that is, a form of democratized Whig constitutionalism, plus the free ...

Modern liberalism in the United States - Wikipedia

The military-industrial complex (MIC) is an informal alliance between a nation's military and the defense industry that supplies it, seen together as a vested interest which influences public policy. A driving factor behind this relationship between the government and defense-minded corporations is that both sides benefit—one side from obtaining war weapons, and the other from being paid ...
