Hushing the Crazy Voice in My Head The critical inner voice is a well-integrated pattern of destructive thoughts toward ourselves and others. The nagging "voices," or thoughts, that make up this internalized "crazy voice" dialogue is at the root of much of our self-destructive behaviour and inability to adapt to stressful situations.

In My Head is the sixth studio album by American band Black Flag. It was released in 1985 on SST Records , and was their final studio album before their breakup in 1986. The CD reissue adds three of the four songs that later appeared on the I Can See You EP, replicating the original 1985 cassette release which came out concurrent to the LP.

Best Answer: Your not crazy, i have a boy your age and he is the same way, and his getting better with a little help. Has anyone thought about panic attacks, when you worry you start to pace and the more you think the worse you get. We call my boy a drama queen and he paces and gets so worked up he doesnt know how to calm it or stop. Like yourself he isnt being hurt or abuse so why, that we ...
