One of the questions that frequently seems to come up about AP Style writing rules is how to handle abbreviations and acronyms. Unfortunately, this is not one of the areas where the Associated Press Stylebook has a clear, hard and fast, rule.. Instead, the AP Stylebook entry for abbreviations says that abbreviations and acronyms can be used if they are common enough to be well known publicly.

In newspaper editing, a slug is a short name given to an article that is in production. The story is labeled with its slug as it makes its way from the reporter through the editorial process. The AP Stylebook prescribes its use by wire reporters (in a "keyword slugline") as follows: "The keyword or slug (sometimes more than one word) clearly indicates the content of the story."
