When discussing the behavioural foibles that impact our investment decision making, it is often stressed that these issues also affect professional investors – seemingly in an effort to allay any notion that expertise insulates them from such issues. Whilst it is certainly true to state that professionals are not invulnerable, this does not go far enough.

Is Investment Banking Right for You, and Can You Get In? Before reading this guide, you need to answer two important questions: Is investment banking (IB) right for you? If so, do you have a viable path to breaking into the industry?; If you are an undergraduate student, especially at a top university, the first question is less important because you do not have time to "test the waters."
