In Buddhism, the term parinirvana (Sanskrit: parinirvāṇa; Pali: parinibbāna) is commonly used to refer to nirvana-after-death, which occurs upon the death of the body of someone who has attained nirvana during his or her lifetime. It implies a release from the Saṃsāra, karma and rebirth as well as the dissolution of the skandhas.. In some Mahāyāna scriptures, notably the Mahāyāna ...

All nouns serve to name a person, place, or thing. Those that identify general people, places, or things are called common nouns—they name that which is common among others. Proper nouns, on the other hand, are used to identify an absolutely unique person, place, or thing. A proper noun names someone or something that is one of a kind, which is signified by the use of a capital letter, no ...
