Euler presented in translation. translated and annotated by Ian Bruce. Click here for Euler's Preface : . Translator's Preface : The preface throws some light on Euler's thinking at the time, in which he is rather critical of previous works, including that of Newton and Hermann (perhaps one of his previous teachers at Basel, and certainly a colleague at St. Petersburg).

Multi-Languages Corporation is Toronto's Multilingual leader. We are a Canadian Certified Translation and Interpretation Service Provider.

### **Certified Translation and Interpretation Service Provider**

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this distinction, translation can begin only after the ...
