Paper Towns is an amazing book! Although the story line and plot are simple enough, John Green's storytelling is top notch. The characters are relatable, funny and lovable. The narrative is both funny and poignant at places, and it gives you as much food for thought as it entertains you. If you have seen the movie first, don't be misguided.

It was the first John Green book I ever read, unlike most people who started with TFIOS, and will forever be the most important book I have read to date. It is difficult to summarise a story that runs so much deeper than what Green has written, with subtext being a large part of the emotional theme of the book, so all I will say is that I truly ...
