We're all justifiably sick of feminism, but at some point men need to either put up or shut up. It is true the average man must be careful in how he fights back due to the harsh legal realities of living in a world that promotes Girl Power, but where being a "misogynist" (the male equivalent of a feminist) can get you publicly tarred and feathered or even fired from your job.

Rare, medium or done? A Western history of definitions & preferences According to the Oxford English Dictionary, the word "rare," counterbalancing "done" describing the doneness of meat, descends from the word "rear," meaning imperfectly cooked or underdone. The original culinary use described eggs. The earliest print reference to the word "rare" relating to meat cookery is circa 1615.
