Steampunk is a subgenre of science fiction or science fantasy that incorporates technology and aesthetic designs inspired by 19th-century industrial steam-powered machinery. Although its literary origins are sometimes associated with the cyberpunk genre, steampunk works are often set in an alternative history of the 19th century's British Victorian era or American "Wild West", in a future ...

I picked up Grousemoor simply because it was the only Sam Gawith blend available when I put in my last order. The hoarders had rushed to pick up all the more popular blends and I found myself curious about these hints of "lemongrass" spelled out in the tin description and thrown out there by reviewers.

The Midland Railway page is something of a problem as it was only thinly addressed in Steam Locomotive Development where it was observed that the Railway was centred on Derby from which routes radiated to the south west, north west, to the Scottish Border, to the east and to London. At that time the only book which appeared to be relevant was Hamilton Ellis' Midland Railway.
