The Usborne Book Of World

This little book is the "miniature edition" of Usborne's larger Book of World History which is highly recommended by the "Well Trained Mind" series. The Usborne Book of World History (Picture World) This particular "miniature edition" book, like its larger cousin, does appear to be a concise history of the world.

The Usborne Book of World History: Anne Millard, Patricia ...

The history of the world to 1914. Includes cultural developments, discoveries, and world religions as well as political and military history. Indigenous peoples are portrayed realistically (i.e., not properly clothed according to Western standards). Gripping text, beautiful illustrations ...

The Usborne Book of World History | BookShark

I think this book is a great resource for discussing world history with children. It is definitely a resource book as you wouldn't want to read it all at once (there is a LOT of information to take in), but it has wonderful information and vivid illustrations that make it more interesting for kids to read than a textbook.
