Using a smaller pot will cook the pasta faster, right? Wrong. Using too small a pot will crowd the spaghetti, and you will end up with clumpy, gummy pasta. Additionally, the pasta will significantly drop the temperature of the small amount of water in the pot, meaning the time it will take for the water to return to a boil won't save you any time.

Because brisket can be tough if not cooked properly, some other barbecue competitors will actually prepare more than one at a competition. I don't want to cook but one brisket when I compete, and I'm sure not going to do a backup brisket at home. One brisket should be all you need to get the job done.

Absolute pitch (AP), often called perfect pitch, is a rare ability of a person to identify or re-create a given musical note without the benefit of a reference tone. AP can be demonstrated via linguistic labeling ("naming" a note), auditory imagery, [clarification needed] or sensorimotor responses. For example, an AP possessor can accurately reproduce a heard tone on a musical instrument ...
