The little prince's mind, however, is fixed on returning to his rose, and he begins making plans with the snake to head back to his planet. The narrator is able to fix his plane on the day before the one-year anniversary of the prince's arrival on Earth, and he walks sadly with his friend out to the place the prince landed.

SparkNotes: The Little Prince: Plot Overview

Of course, that's not how it works where the prince is from. Because his planet is so tiny, he can see a sunset at any time—all he has to do is move a few steps. One day, says the little prince, he watched forty-four sunsets. The prince says that he loves watching sunsets when he is sad. The narrator realizes then that the prince is melancholy.
