The Gemini Effect. A single raindrop opens a Pandora's box when the spawn of perverse genetic research performed during World War II is unleashed on an unsuspecting modern world. By dawn, only a dead city remains, eerily quiet and still, except for mutant beasts that hide from the light, multiply, and await.

Format: Kindle Edition Verified Purchase Started off with a strong suspenseful pace (if you suspended your disbelief at the scientifically impossible premise). But as you think you are nearing the final chapters a whole new (and farcical) plot gets inserted for no aparent reason and with little to no prior build up.

The Gemini Conspiracy explores the unbridled exploitation of the apparatuses of power in which predator becomes prey within concentric spheres of Machiavellian manipulation. It is also a story of great sacrifice and the power of dogged determination in the face of the unthinkable consequences of failure.
