Subgroups. Scholars categorize the genre of chronicle into two subgroups: live chronicles, and dead chronicles. A dead chronicle is one where the author gathers his list of events up to the time of his writing, but does not record further events as they occur. A live chronicle is where one or more authors add to a chronicle in a regular fashion, recording contemporary events shortly after they ...

When I wrote about turning sixty a couple of months ago, I talked about not obsessing about age, being on the home stretch of life, looking forward to retirement, and things of that nature. All of that is and remains true, but something interesting has happened in the weeks that have followed, as I begin my voyage on Route 60 and beyond: I have become introspective about what that
