Scratch that, where's the FULL retelling of their love story in Behs POV. Transcendence is hands down my favorite by Shay Savage, the story, and the love was executed flawlessly in it, so I had VERY high hopes for Behs POV telling in Luffs only to be sorely disappointed and feeling like I threw 3 bucks of my money in the trash.

He finds her odd and doesn't understand her at all yet he wants her and wants her bad. Their story is one filled with humour (i had a few, smiling like a Cheshire Cat moments), wonder, love and heartache. I absolutely enjoyed this story from Shay Savage and I hope that one day I wake to find Transcendence in Behs point of view.

"Transcendence" by Shay Savage was unlike anything I have read. It was such a unique, beautiful, unforgettable, tough-provoking story. This book moved me to my core and it will stay with me for a long time. I love this author's writing style. I really do.

Transcendence (Transcendence, #1) by Shay Savage

With the new trend of quick reads, insta-love, brawny, horny dream men who claim and mate eager yet flustered women capable of multiple orgasms with their alpha hunks within the five minutes of having just met them and with the blatant misuse and confusion of the concept of the word ---love-- as it is bandied about incessantly during bouts of animal love making between two virtual strangers ...

If you have not read Transcendence do NOT read Luffs w/out reading Transcendence first, because Luffs will make no sense to you what-so-ever and it will seem choppy and random. Done with the disclaimer now onto the good stuff. This was a nice surprise from Shay Savage. This little novella

companion was such a nice treat for fans of Beh and Ehd.

Luffs (Transcendence, #1.5) by Shay Savage

As with other work by Shay Savage, the author takes an idea or a prompt, and then takes it in a direction you weren't expecting or even contemplating. Transcendence tells the tale of a modern-day girl, Elizabeth, who inexplicably finds herself in prehistoric times at the mercy of a caveman. Ehd is on his own after an accident killed his tribe.

It did not have that suspension of disbelief that comes with a solid plot, good characters and good dialogue. You can still read a romance featuring aliens, bad guys and the fall of society and still lose yourself in it. I LOVED Surviving Rain and Transcendence, yet Commodity felt forced, rushed and depressing. And the characters! Blah!
