A political spectrum is a system of classifying different political positions upon one or more geometric axes that represent independent political dimensions.. Most long-standing spectra include a left wing, which originally referred to seating arrangements in the French parliament after the Revolution (1789-1799). On a left-right spectrum, communism and socialism are usually regarded ...

Containment is a geopolitical strategy to stop the expansion of an enemy. It is loosely related to the term cordon sanitaire which was later used to describe the geopolitical containment of the Soviet Union in the 1940s. The strategy of "containment" is best known as a Cold War foreign policy of the United States and its allies to prevent the spread of communism after the end of World War II.
