### **For Parents - Dr. Alan E. Kazdin**

Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...

On Becoming Baby Wise: Giving Your Infant the Gift of Nighttime Sleep is a Christianity-based infant management book written by Gary Ezzo and pediatrician Robert Bucknam in 1993. Baby Wise presents an infant care program which the authors say will cause babies to sleep through the night beginning between seven and nine weeks of age. It emphasizes parental control of the infant's sleep, play ...
