The Wizard is a type of magical character class in certain role-playing games, including role-playing video games. Wizards are considered to be spellcasters who wield powerful spells, but are often physically weak as a trade-off. Wizards are commonly confused with similar offensive spellcasting classes such as the Warlock and the Necromancer. However, a Wizard's power is based on the arcane and ...

In Delicious in Dungeon, Marcille's magic is combat oriented and explosive. But, she also knows healing and revival magic as well. It's hard to say if she's more of The Red Mage, or if healing magic is just more common in this world.. There's also the Lunatic Magician, who wields extremely

powerful and destructive black magic.

Gandalf is received by Círdan. When he arrived to Middle-earth, he received Narya, the ring of fire, from Círdan the Shipwright. Olórin, renamed Gandalf, spent many centuries walking among the elves as a stranger, learning from them and teaching them. He later revealed himself as one of the Istari, and eventually became known as the wisest of and most powerful of that order.
