Did you ever just wish you could blend into the background? Perhaps you forgot to read all of your homework assignment and the teacher calls on you. Wouldn't it be great if you could make yourself look like a desk and chair?. If you're a fan of lizards, you probably already know that there are some types of lizards — called chameleons — that can change their color.

@StevenPenny Well, good luck with that, then - the bounty is going to go to waste. Because unless you have a volume licensing agreement and access to the MS volume licensing site, you can't legally download a Windows 8 ISO without downloading the exes first. Microsoft uses those exes to enforce their licensing (by restricting the downloads to those with a valid product key), and they don't ...
